

Tigh an 
Ghabhann
MOYCULLEN

Specifications

Specifications

EXTERNAL FINISHES

- The front of each home is finished with a natural stone finish. This is combined with a plastered & painted render.
- Low maintenance uPVC fascia, soffits, gutters and downpipes.
- High quality slate finish to all roofs.
- All houses are constructed of traditional blockworks and benefit from solid hollow core flooring.

INTERNAL FINISHES

- All walls and ceilings will be plaster skimmed and painted to a high quality finish.
- Generous floor-to-ceiling heights throughout.
- All houses fitted with contemporary internal doors (white), skirting, architraves and chrome ironmongery.
- Solid wood handrail to stairs with painted balustrades.

KITCHEN/UTILITY

- Quality fitted kitchens will be supplied to each house. Purchasers will have the option of upgrading kitchen finish.
- All kitchens benefit from 2 large Velux rooflights.
- Utility rooms are fitted with worktop, storage areas and are plumbed for washing machine and dryer.

BATHROOM/ENSUITES

- All bathrooms and ensuites are fitted with high quality sanitaryware throughout.
- Wet-room style low profile shower trays and doors.
- Luxury tiles to walls and floors in bathrooms.

- High-performance low-energy front door with multi-point locking system.

Attention to detail

HEATING AND VENTILATION

- Pressurised hot and cold-water system through houses.
- Mechanical ventilation and heat recovery system.
- Central heating system is an air-to-water heat pump located externally. This system provides energy efficient central heating distributed through underfloor heating (ground floor) and aluminium radiators (upper floors).
- Dual-flush WC cisterns for water conservation.
- High levels of insulation in walls, roof and floors.
- A2 BER rating.

GARDENS & DRIVEWAY

- All back gardens are seeded with natural grass and benefit from a generous paved patio to the rear of each home.
- Paved finish to front driveways with parking space for 2 cars.
- All front driveways are fitted with connection point for an electric car charge port.

COMMON AREAS

- Paved finishes and extensive landscaping throughout the common areas of the development.

GUARANTEE

- Each home is covered by a 10-year Home Bond Guarantee.

Rhatigan Homes

Rhatigan Homes is a family run business, established in 1952. We are market leaders in the development of new high-quality homes in the West of Ireland.

We ensure that all our residential developments are in close proximity to local amenities, which helps to deliver on our goal of Family First Communities. They are designed to offer more spacious, highly sustainable housing in landscaped parkland environments.

Rhatigan

Homes

The Rhatigan Homes Standard

Our construction excellence, capacity to deliver, and culture of integrity didn't appear overnight; they are the result of hard work and the development of intuitive processes. The Rhatigan Homes Standard reflects our dedication to our three key pillars of business:

- **Family First Community**

Rhatigan Homes developments are designed to allow for families to grow in a safe and enjoyable environment. All homes will have generous green space and homezone areas on their doorstep.

- **Sustainability**

All Rhatigan Homes are designed to reduce their long-term energy demand with a BER Rating of A3 or better. Windows, doors and heating systems will all be designed with clean, energy efficient living in mind.

- **Quality First**

Rhatigan Homes have a long-established history of building high quality homes that are above the market standard. All homes will be provided with natural stone finishes and high performance windows/doors.

Help to Buy Scheme

Houses at Tigh an Ghabhann qualify for the Help to Buy Scheme for all eligible first time buyers.
